

Dr. Theresa Bullard-Whyke

Physicist, Author, International Instructor and Speaker,
Host of Mystery Teachings on GAIA TV, Quantum
Leadership Academy

Bio

Dr. Theresa Bullard, Ph.D., is a physicist, consciousness researcher, and co-founder of the Quantum Learning Academy. She holds a doctorate in Physics and is known for bridging quantum science with ancient wisdom and modern consciousness studies. Dr. Theresa is also a Master Teacher and International Instructor within the Modern Mystery School, with over 25 years of dedicated study and teaching in the lineage. Her work integrates scientific rigor with initiatory wisdom, offering practical frameworks for personal mastery, discernment, and conscious leadership. Through her teachings, retreats, and the Mystery Teachings series, Dr. Theresa empowers individuals to access deeper levels of awareness, inner coherence, and ethical responsibility in an increasingly complex world.

Testimonials

"Thank you so much for having me. It's great. And please continue this great adventure you're on and helping us connect all the dots. It's wonderful. You have an amazing mind." - Nassim Hamein, Founder of the Resonance Science Foundation

"I love the way that you are bridging so many of the ancient and the mystical traditions with the best science of the modern world, two very different languages...It's an important conversation and you are such a master at what you do." - Gregg Braden, NYT Best selling author, scientist, and educator.
